

Measuring health and happiness

How do you measure happiness? Perhaps health is the best way because a famous doctor once said. "Happy people generally don't get sick." It's also 13 _____ to measure how many people feel ill or unhealthy in a country. For example, one survey says Iceland is the "healthiest country in the world" because men and women live a long time there, the air is very 14 _____ and there are more doctors available per person than anywhere 15 _____ in the world.

However, there was another survey of the happiest countries in the world and Iceland was not 16 _____ the top. The questions on this survey 17 _____: How much do you earn? How healthy are you? How safe do you feel? After visiting 155 different countries, the researchers 18 _____ that Denmark feels happier than other countries.

Прочитайте текст и заполните пропуски 13–18 словами, напечатанными в правой колонке под цифрами 1–8. Каждое из этих слов может быть использовано только один раз. В ответе укажите цифры, под которыми значатся выбранные Вами слова. Два слова в этом списке 1–8 лишние.

However, there was another survey of the happiest countries in the world and Iceland was not 16 _____ the top.

- 1) clean
- 2) clear
